SPONSORSHIP OF THE GATHERING DRIVES **CHANGE** IN OUR FOOD SYSTEM.

The focus of the 2026 NH Food System Statewide Gathering is collaborating through the strategic plan.

Farmers, fishermen, business owners, and food system professionals from across New Hampshire and New England will gather to learn about and engage in work happening in support of the NH Food and Agriculture Strategic Plan. The gathering will highlight Strategic Plan recommendations that are being addressed— from new workgroups to student projects— and will offer collaborative opportunities to address the pressing issues and build skills that will help all of us do more together.

Your sponsorship is an investment in our food system and makes this annual event possible. Browse the three sponsorship levels in the following pages. Each level includes a combination of promotional opportunities for your organization:

- acknowledgement of sponsorship through the NH Food Alliance communications channels,
- inclusion on event specific materials,
- and a number of complimentary event tickets.

DONATE A RAFFLE PRIZE!

At the 2026 NH Food System Statewide Gathering, we will host a raffle with prizes donated from organizations and businesses in our food system. Tickets are not for purchase: they are earned by making connections with other food systems professionals.

By donating a prize to the raffle, your organization will be recognized as an in-kind sponsor with name and prize recognition on the 2026 NH Food System Statewide Gathering webpage, during the event, and in the “Thank You to Our Sponsors” email.
